OUTDOOR MISSION AND EXPEDITION OUTREACH

A Vision Taking Shape

PEOPLE. PLACES. PURPOSE.

Basecamp Ministries is being built as a mission-driven outdoor ministry that welcomes and serves people from near and far through wilderness adventure, hospitality, discipleship, and practical support. Our vision is to see lives transformed by the gospel, establish a lasting ministry presence in Millinocket, Maine, and multiply that impact across the country.

A NOTE FROM JEREMIAH

A Calling to Build Something Greater

For many years, I have worked as a business owner, entrepreneur, and in sales. Those experiences taught me how to bring people together, build relationships, and create something sustainable.

More importantly, I have had the privilege of serving in church leadership and ministry for over 13 years. God has placed a calling on my heart to build places and experiences where people can encounter Him, grow as disciples, and find strength through authentic Christian community.

Basecamp Ministries grows out of that calling. What begins in Maine can become a network of Basecamps across the country, sharing one mission and the tools to carry it forward.

Become a Founding Partner

We are gathering a small circle of founding partners who believe outdoor adventure can become a lasting platform for serving others. Some will give financially. Others will provide equipment, expertise, relationships, or time. Each contribution helps turn this vision into operating reality.

01

EQUIP THE EXPEDITIONS

Help secure serviceable passenger vans, canoe trailers, canoes, PFDs, paddles, camping equipment, and essential field gear. Donations, discounted sourcing, loans, or introductions are all valuable.

02

SUPPORT THE PEOPLE BEHIND THE MISSION

Become a recurring support partner or make a founding gift for ministry development and outreach preparation. Personal support, operating capital, and ministry gifts are tracked separately.

03

HELP ESTABLISH A LASTING HOME

Support a permanent Basecamp presence in Millinocket: a gathering place for visiting crews, men, youth, and families, alongside outreach serving the local community.

04

OPEN A DOOR

Introduce us to business owners, equipment suppliers, churches, community leaders, or founding supporters. Share expertise, professional services, or appropriate volunteer support.

WHAT FOUNDING PARTNERS CAN EXPECT

Clear communication, responsible stewardship, and transparency about what is pledged, received, and used. We want support to grow through relationships and shared purpose, not pressure.
